EDUCATION

B.Tech, CSE 2018 – 2022
Bhilai Institute of Technology Durg
Graduated with honors with **8.7 CGPA**.

High School +2 2016 – 2018
Krishna Public School, Bhilai Bhilai
Honors student, graduated with 84.4%.

EXPERIENCE

Programmer Dec 2022 – Present
Chhattisgarh Government Raipur
Developed and maintained the frontend for the UDISE portal, managing the student database for English-medium government schools in Chhattisgarh and ensuring seamless user experience.

Web Developer Intern Aug 2022 – Oct 2022
Corizo Remote
Led a team of 5 to develop a blogging website using React.js and Tailwind CSS for the frontend, Node.js for the backend, and MySQL for the database

PROJECTS

Planero: A project management and task tracking app [🔗](#)

- Developed a project management app using **React**, **Redux**, **Tailwind CSS**, and **Firebase** with features to create, edit, and delete boards, lists, and cards.
- Integrated **drag-and-drop** functionality with smooth animations using **react-beautiful-dnd** for intuitive task management.
- Enabled secure **Google and GitHub sign-in** with real-time cloud data storage via **Firebase**.

Personal Portfolio: React, Nextjs, Tailwind [🔗](#)

- Designed and built a visually appealing portfolio using React, **Next.js**, and Tailwind CSS, incorporating the Gruvbox palette for warm, professional tones.
- Implemented sleek entry animations with **Framer Motion**, enhancing user experience with smooth transitions.
- Integrated a **contact form** with functionality to send emails using **React Email** and **Resend**, ensuring seamless communication.

React Tic Tac Toe Game [🔗](#)

- Built an interactive game with move history tracking, allowing users to navigate to any previous move and resume gameplay and a toggle feature for move history order.

Password Generator using React [🔗](#)

- Built a password generator to generate secure passwords, copy them with ease with customizable parameters to adjust password length and selectively include numbers and special characters for enhanced security.

SKILLS

Programming Languages:

JavaScript (ES6), TypeScript, Python, C, C++, Lua

Libraries/Frameworks

ReactJS, Redux, Node.js, Express.js, MongoDB, mySQL, Next.js, Firebase, Jest

Soft Skills

Proficient communication in English (**IELTS 8 Bands**), Good interpersonal skills, Team player & collaboration.

Web Technologies

HTML5, CSS, Bootstrap, Tailwind CSS, REST API

Development Tools & DevOps

Git, Github, Linux, Bash, Shell Scripting, Vim, NeoVim
